The formula funding base had not been changed since 2003 because we had not broken the 3% “enrollment band.” We have now accomplished that goal two years in a row. The 5.8% growth for fall 2010 compares to an average of 2.5% for other flagship and research universities in the region.

Non-resident enrollment has been a cornerstone to our overall growth. Improved messaging and strategies for targeted areas out-of-state has produced outstanding results.

Success in enrolling National Scholars has been unprecedented on a UNM or even national scale. UNM Will be listed as a sponsor school in the National Merit Scholarship Corporation annual booklet with other elite schools for the first time.
